Reducer rubbers

1 Instructions for assembly and use

- Never take the product apart. Improper repairs may result in considerable danger to the user. Repairs should only be carried out by specialist personnel. The LED lights are not replaceable.

⚠ Safety advice concerning batteries/rechargeable batteries

- ⚠

CAUTION! EXPLOSION HAZARD!
Never recharge the batteries!
- Remove batteries during extended periods of non-use.
- When inserting the battery ensure the polarity is correct! This is shown in the battery compartment.
- If necessary, clean the battery and device contacts before inserting the battery.
- Remove spent batteries immediately from the device. There is an increased risk of leaks!
- Always replace all the batteries at the same time.
- Do not mix alkaline batteries and rechargeable batteries.
- Never mix old and new batteries.
- Do not dispose of battery/rechargeable batteries in household waste!
- Every consumer is legally obliged to dispose of batteries/rechargeable batteries in the proper manner!
- ⚠

CAUTION! EXPLOSION HAZARD!
Keep battery/rechargeable batteries away from children, do not throw batteries/rechargeable batteries into fire, do not short-circuit and do not take apart.
- Failure to observe this notice may result in deep discharging the batteries. This poses a risk of leaking.
- If the batteries have leaked inside the product, please remove them immediately to prevent product damage!
- Avoid contact with the skin, eyes and mucous membranes if fluid has leaked from the batteries / rechargeable battery. In the event of contact with battery acid, thoroughly flush the affected area with clean water and seek immediate medical attention.
- Never recharge single-use batteries! Explosion hazard!
- **Note:** If the red rechargeable battery/battery control light [\[5\]](#) [\[14\]](#) on the headlight [\[7\]](#) or the tail

List of pictograms used	
	Read the instructions!
	Danger to life and risk of accident for infants and children!
	Observe the warnings and safety notices!
	Caution! Explosion hazard!
	Dispose of the packaging and product in an environmentally-friendly manner!
	Environmental damage due to incorrect battery/rechargeable battery disposal!

LED Bike Light Set

● Introduction

Congratulations on the purchase of your new device. In doing so you have chosen a top-quality product. The instructions for use are to be considered as part of this product. It contains important safety, assembly and disposal information. Before using the product, please familiarise yourself with all the safety information and instructions for use. The product must only be used as described and for the specified fields of application. If you pass the product on to anyone else, please be sure to also include all documentation.

● Installing the tail light (see Fig. C and D)

- Secure the bracket [\[10\]](#) to the seat post or the rear cross-bar using the rubber tab [\[12\]](#). Be sure there are no objects in front of the tail light [\[15\]](#).
- Tighten and hook in the rubber tab [\[12\]](#).
- Loosen the retaining screw [\[16\]](#) on the bracket [\[10\]](#) and adjust to the desired angle.
- Then tighten the screw. Tighten the screw hand tight. To prevent damage, do not use tools for this step.
- Slide the tail light [\[15\]](#) into the bracket [\[10\]](#) until you hear it lock into place.
- To release the tail light [\[15\]](#), pull down on the tail light lock [\[11\]](#) and slide off the tail light [\[15\]](#).

● Inserting batteries into the tail light (see Fig. E)

- Slide the battery cover [\[17\]](#) off to the back.
- Insert the batteries into the tail light (2x AAA 1.5V). Ensure the correct polarity.
- Then reassemble the light.

● Operation

● Switching on / off

The headlight [\[7\]](#) has three brightnesses.

On/Off switch	
press once	Power mode (40 Lux) for riding in unit areas
press twice	Standard mode (20 Lux) for riding in lit areas
press three times	Eco mode (10 Lux) for riding in well lit areas
press four times	off

● Cleaning and Care

- Never fully immerse the lights. Do not use corrosive or abrasive cleaning agents. Doing so will damage the lights.
- Clean the LED bicycle light set with a slightly damp, lint-free cloth.

● Disposal

The packaging is made of environmentally friendly materials, which may be disposed of through your local recycling facilities.

Contact your local refuse disposal authority for more details on how to dispose of your worn-out product.

To help protect the environment, please dispose of the product properly, not without household waste, when it has reached the end of its useful life. Please contact your local authority for information on collection points and their opening hours.

Defective or used batteries/rechargeable batteries must be recycled according to 2006/66/EC and its amendments. Return batteries/rechargeable batteries and/ or the appliance using the recycling facilities provided.

Environmental damage due to incorrect battery/rechargeable battery disposal!

Never dispose of batteries/rechargeable batteries in your household waste. They may contain toxic heavy metals and are subject to hazardous waste regulations. The chemical symbols of the heavy metals are: Cd = cadmium, Hg = mercury, Pb = lead. Therefore, dispose of used batteries/rechargeable batteries through your local collection site.

Improper battery disposal destroys valuable resources and the hazardous substances in the batteries may pose a significant danger to the health and environment. Separate collection/disposal of old batteries prevents

● Intended use

This product is suitable for lighting the roadway whilst cycling. The LED Bicycle Light Set is approved as exclusive lighting for all bicycles. Light distribution must not be impaired by other bicycle parts or luggage. The product is intended for outdoor use. Any use other than the aforementioned or any product modification is prohibited and can result in injuries and product damage. The manufacturer is not liable for damages resulting from improper use. This product is not intended for commercial use.

● Technical Data

Headlight	
Model designation:	XC-196A / L-Lux 40
Rated output:	1 W
Protection type:	IP44 according to DIN EN 60529
Batteries:	4 x 1.5V AA LR6

Tail light	
Model designation:	XC-117E / D-LED 4
Rated output:	0.2W
Protection type:	IP44 according to DIN EN 60529
Batteries:	2 x 1.5V AAA LR03

Note: Please only use alkaline batteries or similar 1.2V rechargeable batteries.

⚠ Safety instructions

- **⚠ WARNING! DANGER TO LIFE AND RISK OF ACCIDENT FOR INFANTS AND CHILDREN!** Never leave children unsupervised with the packing material due to the suffocation hazard posed by swallowing parts thereof. Children frequently underestimate the dangers.
- Always keep the product away from children. This product is not a toy!
- This product is not intended to be used by persons (including children) with impaired physical, sensory or mental capacity, or lacking experience or knowledge unless supervised by a person responsible for their safety. Please note, damages caused by incorrect handling, non-compliance with the operating instructions or interference with the device by unauthorised individuals are excluded.

GB/IE/NL

LED-fietslampen-set

● Inleiding

Hartelijk gefeliciteerd met de aankoop van uw nieuwe apparaat. U hebt voor een hoogwaardig product gekozen. De gebruiksaanwijzing maakt deel uit van dit product. Ze bevat belangrijke aanwijzingen voor de veiligheid, de montage en de verwijdering. Maak uzelf vóór gebruik van het product vertrouwd met alle bedienings- en veiligheidsinstructies. Gebruik het product alleen zoals beschreven en voor de aangegeven gebruiksdoeleinden. Geef, wanneer u het product doorgeeft aan derden, ook alle documenten mee.

● Correct gebruik

Dit product is geschikt voor de verlichting van de rijbaan tijdens het fietsen. Het LED fietsverlichting set is als enkele verlichting voor alle fietsen toegelaten. Het licht mag niet door andere fietsonderdelen of bagage worden gehinderd. Dit product is bedoeld voor gebruik buitenshuis. Een ander gebruik dan eerder beschreven of een verandering aan het product is niet toegestaan en kan tot letsel en tot schade aan het product leiden. De fabrikant is niet aansprakelijk voor schade als

gevolg van onjuist gebruik. Het product is niet bedoeld voor commerciële doeleinden.
